Signature Keynotes

Before You Speak: Trust and Influence Without Pressure

Why do some conversations succeed before anyone says a word?

Before You Speak reveals the hidden signals that shape trust, influence and decision-making before the first word is spoken.

Audiences discover how awareness creates trust, reduces resistance and leads to better conversations.

Communiclarity: The Power of Clear Communication

Why do good messages still get misunderstood in the workplace?

Communiclarity helps people simplify communication, reduce misunderstandings and build stronger connections.

Audiences gain practical tools to communicate with greater clarity, confidence and influence.

Living in Balance: Build Resilience Without Burnout

How do high performers avoid burnout without sacrificing performance?

Living in Balance shares practical strategies that help people manage energy, stay present and perform under pressure.

Audiences leave with practical tools to protect wellbeing and sustain performance.

The Conversation Continues

Workshops

Turning Awareness into Action

A keynote starts the conversation. A workshop gives people the opportunity to explore new ideas, practise new behaviours and apply them in everyday conversations.

- 🧩 Interactive learning
- 🎯 Practical application
- 🔧 Everyday strategies

Workshop topics include:

- ✓ The Connection Key
- ✓ Speak With Impact
- ✓ Lead From Within

MC & Facilitation

Guiding Conversations That Matter

As an MC and facilitator, Michael creates meaningful conversations, keeping audiences engaged, speakers connected and events moving with purpose.

- 🎤 Connects speakers and audiences
- 💬 Guides engaging conversations
- ⌚ Keeps every session flowing

Whether hosting a conference, moderating a panel or facilitating a session, Michael helps conversations build trust and maintain momentum.

What Clients Say

Michael brought a light, enjoyable atmosphere to heavy content. His professionalism made the event a resounding success.

Stephen Ndegwa
World Bank

We highly recommend Michael to any business looking to develop their people.

Mick Carew
Multitrack

Michael's clear and no-nonsense approach made it easy for everyone to learn some key takeaways to better communicate.

Ashley Moon
Select Audio Visual

Michael has an exceptional ability to put people at ease while captivating an audience.

Samantha D'Angelo
Kinetik Global
